

**11th NECLIME workshop on taxonomy of the Neogene palynomorphs
24-26th May 2022, Bratislava, Slovakia**

-1st circular-

Dear friends,

two years apart when we had limited opportunities for personal scientific meetings during the pandemic, we would like to invite you to the 11th workshop of the NECLIME working group on palynology, which will take place in Bratislava.

Location:

Faculty of Natural Sciences
Comenius University in Bratislava
Mlynská dolina, Ilkovičova 6
SK-84215 Bratislava
Slovak Republic

Schedule:

Tuesday, 24th May - Arrival day
Wednesday, 25th May
Workshop – presentations, microscope works and discussion
Thursday, 26th May - Departure day

The program traditionally will include presentations, as well as works on slides you bring with you which we will discuss together. Moreover, we would like to discuss on fossil/modern pollen databases with special focus on Cenozoic NLRs and potential NECLIME contributions.

As the covid pandemic situation gradually improves, we ask you to express your interest in attending the workshop by April 4, 2022 by sending e-mail to Marianna Kováčová marianna.kovacova@uniba.sk. Please let us also know, which materials you would like to discuss, and provide a preliminary title of your intended contribution.

For those who would be interested in another scientific on site event, in addition to our workshop, pl. do not hesitate and look at the page of the paleontological conference at https://www.geology.sk/21_sk-cz-pl_conference/.

We are looking forward to hearing from you and to seeing you in Bratislava,
Marianna Kováčová, Dimiter Ivanov, Torsten Utescher
