

14th NECLIME Workshop on Taxonomy of Cenozoic Palynomorphs
30th-31st October 2025
Madrid, Spain

1st circular

Dear colleagues and friends

We wish to invite you to the **14th workshop of the working group on palynology**, which will be hold at Complutense University of Madrid, Spain.

Date

Wednesday, 29th October – Arrival day

Thursday, 30th October – Workshop presentations & microscopy activities

Friday, 31st October – Round table discussion & microscopy (or short fieldtrip nearby Madrid to observe Mediterranean vegetation)

Saturday, 1st November – Departure day

Venue

Faculty of Geological Sciences
Complutense University of Madrid
Calle José Antonio Novais, 12
28040 Madrid
Spain
<https://geologicas.ucm.es/>

Main scientific topics for oral presentations

- Biodiversity reflected in palynological assemblages
- Pollen and non-pollen palynomorphs (NPPs) as paleoenvironmental proxies
- LM/SEM studies of fossil material
- LM/SEM studies of modern material
- Nearest Living Relatives of Cenozoic (Neogene and Paleogene) pollen taxa

Registration and abstracts

Please register for the workshop by emailing the registration form below to Manuel Casas-Gallego (mancasas@ucm.es). Please submit your registration form by 30th of September.

We will put together an abstract volume for the attendees.

Workshop fee

A fee of 40 EUR is payable on site and includes lunches (2x), coffee breaks and other workshop-related material.

Do not forget to bring over your slides with fossil and/or modern palynomorphs if you wish to share ideas on them!

We are looking forward to seeing you in Madrid,

Manuel Casas-Gallego, Marianna Kováčová, Dimiter Ivanov
