14th Annual NECLIME Meeting, Saint Petersburg (Russia), October 1 – 4, 2013

- 2nd Circular –

Dear colleagues and NECLIME members,

We intend to apply for financial support for the NECLIME meeting. If the application is successful we will be able to reduce fees for social events, field trips, etc. Together with the application we have to present a preliminary program of the conference and therefore would need your assistance.

Could you please provide us the preliminary title of your intended presentation by sending email to Svetlana Popova (svetlana.popova@binran.ru).

We would be happy to receive your answer until **May 6**, at the latest.

We would like to remind you that you will need to apply for visa to visit St. Petersburg. So, as soon as you send us your presentation title we will confirm your participating and send you an invitation letter issued by our institute. For visa application, you will need a second, "official" invitation from the Russian Academy of Science. We will take care that this will be sent to you.

Apart from the title of your contribution we would ask you to provide us the following information:

1. passport scan
2. your affiliation with postal address
3. your home address

Moreover, we would like to inform you that the "Eighth Palaeobotanical Readings Commemorating A. N. Please plan your journey accordingly if you consider to participate in both events.
