

## 2<sup>nd</sup> NECLIME workshop on fossil wood

Dear Friends and Colleagues,

It is my great pleasure to invite you, you personally or your colleagues and students, to participate in the 2<sup>nd</sup> workshop of the NECLIME working group on fossil wood, which will take place on **24-25 June 2015** in Wrocław, Poland.

During the workshop, we will have time to present the results of our scientific work and discuss them with other participants interested in the fossil wood subject. Everyone is welcome to attend in workshop as a speaker. Afternoons we will visit Wrocław, the fourth biggest city in Poland.

If you already think that you would like to come and participate, please let me know as soon as possible ([elzbieta.myskow@uni.wroc.pl](mailto:elzbieta.myskow@uni.wroc.pl)). In fact, many things (especially the final price) depends on how many of people will attend, so I need this information to prepare the workshop.

**The workshop will take place in:**

Institute of Experimental Biology  
University of Wrocław  
Kanonia 6/8  
50-328 Wrocław  
Poland

**Payments:**

The workshop fee will include accommodation and meals.

It will be paid via a conference number bank account, which will be available next year. This will be a subaccount of the University of Wrocław bank account especially for our conference.

However, the final price will depend on the type of accommodation and costs of meals etc. I hope I find some external financing for our meeting, which would make it possible to lower the price a bit.

**Accommodation:**

Several rooms have already been reserved in student dormitory for participants of workshop.

**Prices:** single quest room – **120 PLN/night**

1 Euro = 4.20 PLN, but the prices can be changed next year (max of about 10%).

If you are interested in accommodation in student dormitory, please let me know how many days would you like to stay.

**Note** that the payment for the student's dormitory should be done via the workshop bank account (will be opened next year)!

It is also possible to book a room in hotels located near the Institute of Experimental Biology:

John Paul II Hotel

<http://www.hotel-jp2.pl/en/>

Hotel Tumski

<http://www.hotel-tumski.com.pl>

Hotel Lothus

<http://www.lothus.pl>

If you choose to stay in the hotel, you can reserve the room and make a payment by your own or contact me for help.

If you are more interested in Wrocław, you can find some information at these webpages:
